Proportion and Percent Worksheet 3

An unlimited supply of worksheets both in PDF and html formats where the student calculates a percentage of a number, finds the percentage when the number and the part are given, or finds the number when the percentage and the part are given. The problems are presented in words, and you can choose the types of wording to use.

Free printable percentage worksheets â€œ Homeschool Math

In science education, a word problem is a mathematical exercise where significant background information on the problem is presented as text rather than in mathematical notation. As word problems often involve a narrative of some sort, they are occasionally also referred to as story problems and may vary in the amount of language used.
